

A Message of the Maui Long Term Care Partnership – Aging with Aloha™

“SAVING FOR AGING”

We Were Raised to Plan for the Future!

To put money away in the bank or other savings....

√ to buy a house

√ to pay for education costs

√ to pay for a car

√ to “save for a “rainy day”

The “rainy day” is here and many people didn’t save for the costs of aging.

Maui Long Term Care Partnership

“Aging with Aloha™”

Maui Long Term Care Partnership is supported by the Robert Wood Johnson Foundation through its Community Partnerships for Older Adults (CPFOA) national initiative. CPFOA seeks to foster community partnerships that are improving long term care and supportive services systems to meet the current and future needs of older adults.

Long Term Care (LTC) Worksheet

Planning for My Personal Aging

Calculating the Time I Have to

A) What is your life expectancy? (Estimate)		
B) My best guess of the age I will need care?		
C) My age today?		
D) # of Years I have to save for aging costs: (B - C = D)		

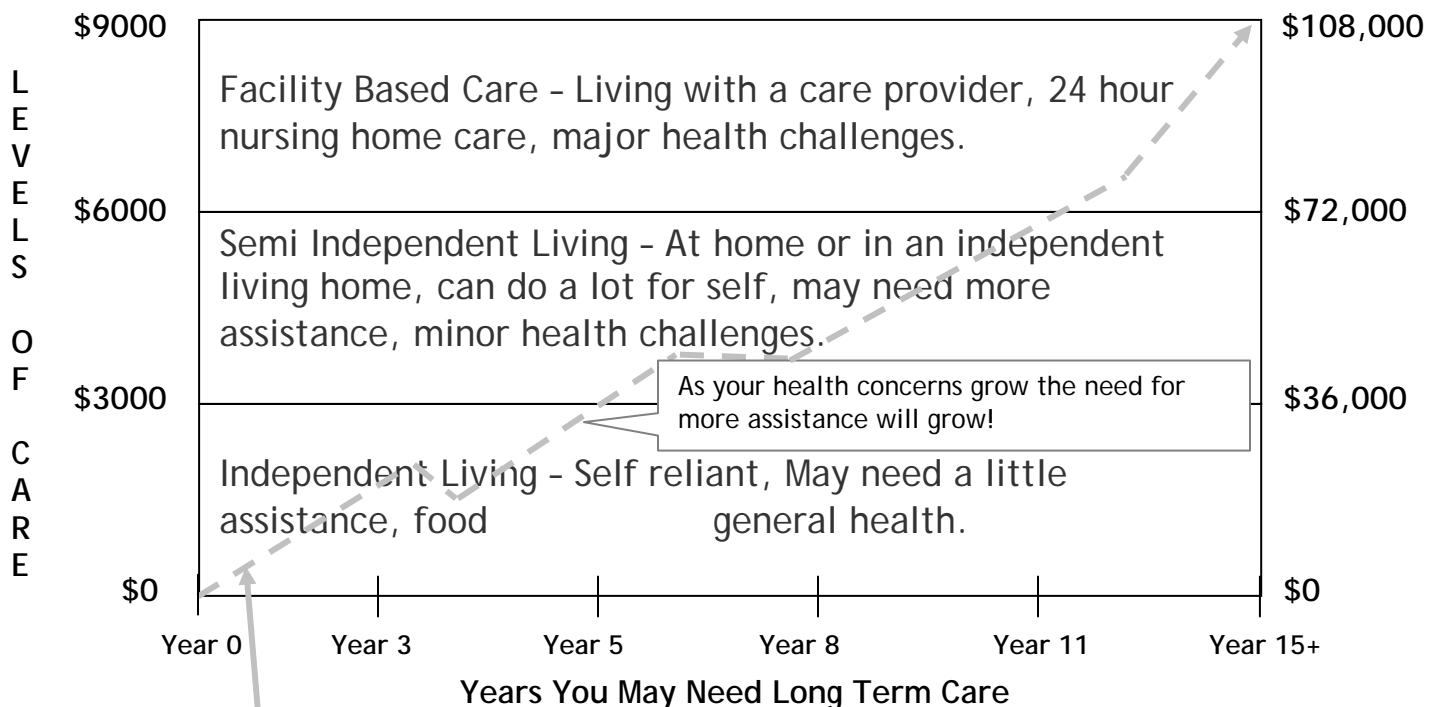

Calculating the Costs I Need to Plan For

E) # of years I may have to pay for aging costs? (A - B = E)		
F) Current annual costs of LTC care? (Use chart below)		
G) Minimal amount I will need to plan for LTC: (E x F = G)		
H) G divided by D = Estimate of your annual LTC costs		

Current Average
Monthly Costs
Year 2003 Dollars

**LONG TERM CARE (LTC)
COSTS and SERVICES CHART**

Current Average
Annual Costs
Year 2003 Dollars

Dotted line represents a person's changing LTC needs and the related LTC costs for services!
